## WHERE TO WATCH

Go South to Appin. The Community Hall not only has hot and cold food and home baking to offer there is also parking. Directly behind the hall there are 2 sections and a further 2 sections 600m west. Big Dar's Burn should raise eyebrows. Well worth a look. Glen Stockdale 1300m from village worth seeing followed by Bealach's new group. Plenty of time to see your rider through then meet at Bealach. Parking within the forest is available, however this must be done in a responsible manner in the allocated places. Adhere to the signs.
